

# Rafael Ferreira de Araújo

UX/UI Designer - Front-end

João Pessoa, Brazil | +55 (83) 99813-1599 | contato@rafaelferreira.info | Portfolio | LinkedIn | Github

## PROFESSIONAL EXPERIENCE

### UX/UI Designer - Front-end, Minsait

2021 – present | João Pessoa, Brazil

As a Product Designer, I'm creating user-centered designs by understanding business requirements using Figma and helping developers coding React components and styling.

### Full Stack Developer, Rocket.Chat

2020 – 2021 | João Pessoa, Brazil

As a growing startup, I worked on many tasks helping the product to be a solid product. Due to being an open source project, you can see all the stuff that I worked on my GitHub page, like new features, improving products, fixes, etc.

### UX/UI Designer - Front-end, Indra Company

2017 – 2020 | João Pessoa, Brazil

Together with my team, we developed large applications for telecommunications, government, banks, etc. Delivered (along teammates) 3 MVPs and 3 full projects. Tutored an Ionic Framework practical course for 5 teams at the company.

### Full Stack Developer, Synctech

2014 – 2018 | João Pessoa, Brazil

Developed a large application for commercial automation, I used to see the payment authorization process together with the issuance of the invoice from tax coupons.

### Full Stack Developer, Conductor Tecnologia

2017 – 2017 | João Pessoa, Brazil

Maintained a legacy application that controlled credit and debit card authorisations.

### Front-end, GPSoluções

2012 – 2013 | João Pessoa, Brazil

I used to build Wordpress themes using PHP, HTML5, CSS3 and jQuery.

## EDUCATION
